GENERAL RULES

1. The Meet Referee, in cooperation with the Aquatics Rules Subcommittee, shall have the authority to adjust these rules on a case by case basis for the safety and well being of an athlete. The Referee may intervene in the competition at any stage to ensure that the appropriate regulations are observed, and shall adjudicate all protest related to the competition in progress.
2. The Meet Referee shall have the discretion to allow certain modifications of the current technical rules based upon a physical disability characteristic. Such interpretations shall be requested and ruled on prior to the athlete's participation in a Final and shall not give advantage over another swimmer. Stroke interpretations will be concerned with the action a limb(s) is performing.
3. Standing upon the bottom of a racing course is allowed only for the purpose of resting. Walking or jumping from the bottom(propelling) must disqualify the offender.
4. Swimmers may not use the lane rope to propel themselves.
5. Coaches or officials may guide the swimmer by voice only. No physical assistance can be provided to any swimmer from the time of the starting signal until all swimmers have completed the race.

6. No competitor shall be permitted to use or wear any device that may aid his speed, buoyancy or endurance during a competition (except flotation races) such as webbed gloves, flippers, fins, etc. Goggles may be worn.
7. Swimmers may be assisted from the water upon request.
8. In the Flotation race, each athlete is responsible for his/her own flotation device. The device must be of the body wrap around type such that if the athlete were to not be able to hold on to the device, the device would still support the athlete with the face out of the water. Flotation devices such as kick boards, inner tubes or floats that wrap around the arms are not acceptable.
9. Starting devices may include the following: whistle, horn, or gun. Athletes with hearing impairments may receive hand signal starts from the starter or a designated official. A strobe light in accordance with FINA rules is recommended.
10. An athlete with Down Syndrome who has been diagnosed with Atlanto-Axial Instability may not participate in the butterfly stroke or do diving starts

UNIFORMS/APPROPRIATE CLOTHING

1. The swimsuits of all competitors shall be in good moral taste and shall be non-transparent (FINA General Rules 6.1 & 6.2).

AQUATICS MINIMUM SAFETY STANDARDS

- ◆ The minimum number of lifeguards at Aquatics activities must be one lifeguard for every 25 participants.
- ◆ Medical information, which must be on hand, should be discussed with the lifeguard(s) on duty in advance of any activity.
- ◆ The sole function of the lifeguard is to guard. If no relief lifeguard is available, the pool must be emptied, even for short durations, when a lifeguard must leave the poolside.
- ◆ A physical examination must be made of the pool area to identify potential hazards. The deck should be clear of obstructions.
- ◆ A copy of the pool's current rules must be submitted for review prior to entering the pool.
- ◆ Pool depth must be marked and clearly visible.
- ◆ The pool depth must be a minimum of five (5) feet for diving race starts from a starting block. A swimmer may dive from the side of the pool (without starting blocks) if the depth is at least 4 feet. Safety lines must be in place to divide shallow and deep water areas.
- ◆ A pool facility shall not be used unless a satisfactory inspection rating is received.

REQUIRED FORMS FOR STATE GAMES ENTRY

- ◆ Athlete Sports Entry Form (for individual athletes)
- ◆ Relay & 2-4 Person Team Registration Form (for all relay teams)
