GENERAL RULES AND MODIFICATIONS

1. The decision to offer the use of power carts will be left to the discretion of the specific Tournament Committee. At any international event, athletes will be expected to walk. A case may be considered for using a power cart during World Games competition upon presentation of a medical certificate to the World Games Committee.
2. Eligibility – In order for an athlete to compete in Levels II-V, he/she must have completed an Individual Skills Test with a total score of at least 60 points.
3. The marking of scorecards will be done by a marker appointed by the Tournament Committee. In most cases it is preferable that a marker be a volunteer or caddie, or athletes and/or partners must verify their score with the marker after each hole.
4. The Tournament Committee shall define the teeing grounds.
5. In Levels 2-5, each individual or team must submit their most recent six (6) scorecards from training or competition. All scores must be verified by signature of a Golf Professional, Club Secretary or Golf Association Director. Scores must be submitted on the scorecard provided by the golf course played. Scores obtained on a Par-3 course will not be accepted. The 6 games must be in the same format (level) that the athlete(s) will compete in at the state tournament.
6. First place ties will be broken by the player or team having the fewest number of 10x scores on their scorecard. If the players/team both have an equal number of 10x scores, a sudden death playoff will be held at the hole determined by the Tournament Committee.

Level 2 - Alternate Shot Team Play (9 holes)

1. This level is designed to give the Special Olympics golfer an opportunity for transition from skill to individual play and progress under the guidance of a partner whose ability and knowledge of golf is more advanced than that of the Special Olympics athlete. As a result, this level does not function in the traditional Unified Sports® model where teammates are expected to be of similar ability.
2. The partner serves as a coach and mentor, so that the Special Olympics golfer becomes self sufficient on the golf course.
3. A team shall consist of one golfer with mental retardation and a golfer without mental retardation. The partner golfer serves as a coach and mentor to the Special Olympics golfer.
4. Foursome Rule 29 under the Rules of Golf (Alternate Shot) will be the format for this competition.

- ◆ Only one ball is in play on a hole.
 - ◆ Players play alternately from the teeing ground and then alternate strokes until the ball is holed. (If player "A" plays from the tee on odd number holes, then player "B" will play from the tees on the even holes).
 - ◆ Once a ball is in play on each hole, the players shall alternate turns hitting the ball until the ball is holed or until 10 strokes have been played.
 - ◆ A swing and a miss count as a stroke.
 - ◆ If a 10th stroke is played without holing the shot, the team should continue to the next hole, listing a 10x on their scorecard.
5. The teeing ground will be determined by the Games Committee using the following guidelines:
- ◆ Avoid any shots that require the golfer to carry a distance greater than 50 yards over hazards or other obstacles, anywhere on the golf course.
 - ◆ Create holes that do not exceed the following measurements

Par 3	150 yards
Par 4	350 yards
Par 5	475 yards
6. The stipulated round shall be nine holes.
7. A time limit of 2 hours 30 minutes may be established by the Tournament Committee.

Level 3 - Unified Sports® Team Play (18 holes)

1. A team shall consist of one golfer with mental retardation and a peer golfer without mental retardation (partner) of similar sports ability.
2. This level of play is designed as an alternative type of competition for the player capable of playing at Level 4.
3. The players must be capable of playing independently.
4. Each player's handicap shall not exceed 35.
5. The difference between team member handicaps should not exceed 10.
6. In cases where a team registers and the difference in handicaps is greater than 10, the team shall be divisioned according to a standard differential of 10 applied to the lower of the two handicaps. Example: Player "A" has a handicap of 10 and Player "B" has a handicap of 35. For the purpose of the divisioning the Tournament Committee should apply the 10 stroke differential and consider Player "B" to have a handicap of 20.
7. These handicaps are used for the divisioning process only and are not applied to the scoring process in tournament play.
8. Foursome Rule 29 under the Rules of Golf (Alternate Shot) will be the format for this competition.
 - ◆ Only one ball is in play on a hole.
 - ◆ Players play alternately from the teeing ground and then alternate strokes until the ball is holed. (If player "A" plays from the tee on odd number holes, then player "B" will play from the tees on the even holes).

Level 4 - Individual Stroke Play Competition - 9 holes

1. Athletes will be divisioned by their verified handicap or the most recent six 9 hole rounds.

 - Par 3 150 yards

5. The stipulated round shall be eighteen holes.
6. A time limit of 5 hours may be established by the Tournament Committee.

STATE GAMES DIVISIONING

Level 1

All participants in the Individual Skills Competition will take part in a divisioning round at the State Tournament prior to competing in final competition.

Levels 2 - 5

Divisioning at the State Golf Tournament will be done using data from the 6 scorecards turned in for each golfer and from results of a Divisioning round done at the tournament over 9 or 18 holes (depending on the level of competition) in the format for each Level. The six scorecards are required because they show the par and length of the courses played, all of which will be used to pre-division the athletes. Scores obtained on a Par-3 course will not be acceptable because these scores do not accurately reflect the ability of a golfer on a full size golf course such as that used for the State Golf Tournament.

UNIFORMS/APPROPRIATE CLOTHING

There are no specific uniform rules for golf. However, golfers must comply with the proper clothing rules established for the golf club where they are playing. At minimum, this would require a collared shirt for all levels of competition. Jean shorts of any type are not allowed.

REQUIRED FORMS FOR STATE GAMES ENTRY

- ◆ Athlete Sports Entry Form (for individual athletes)
- ◆ Relay & 2-4 Person Team Registration Form (for all teams)
- ◆ Six Golf Course Scorecards for the format in which the athlete(s) will compete
